Please indicate requirements below (please tick box to indicate which trap analysis you require):

Number of mite traps required	Yes/No trap analysis*	Full trap analysis**	Number of samples for flotation analysis

Prices exc VAT

BT Trap: *£15 per trap for a Yes/No response to the presence of stored product mite pests (excluding predatory mites) in the traps.
**£25 per trap for a full analysis with mite and insect numbers (counted accurately up to 200, estimated thereafter), identification (where possible) and a written report.
Please note that there is a minimum order of 10 traps.
Postage for sending traps overseas will be chargeable.
Postage and packaging for returning traps will be at customer expense.
VAT will be charged at the prevailing rate.

Flotation Analysis: 1-5 samples: £90 per sample
6+ samples: £75 per sample
Postage and packaging for samples will be at customer expense.
VAT will be charged at the prevailing rate.

Using mite traps: Please refer to the instructions on how to use the traps. Traps are viable for up to 3 months from receipt if stored according to the instructions.

Returning mite traps: Traps must be frozen at -18oC for a minimum of 24 hours after use, or 48 hours from overseas locations, before returning them to us. Used traps must be returned in minimum batches of ten unless prior arrangements are made.

Trap casings remain the property of Fera and any unused traps are chargeable and must be returned to us. Lost casings may be subject to a charge at our discretion.

Samples for floatation analysis: Please refer to the instructions on how to take samples.

If you require a purchase order no. when we invoice you at the end of the service provision, please enter it here: _____
